QUEEFS AND ALL...

Dear *J18*: My favorite thing in the universe is pussy, and I am not referring to felines which I happen to be allergic to. I am talking about that warm, heavenly hidey hole betwixt a pretty gal's thighs. I love the sight of pussy, the smell of it, the feel of it, and the taste of it. Hell, I even love the sounds a pussy can make, queefs and all. Mostly I love that squishy sound a sopping wet pussy makes while it is getting the bejeezus pounded out of it by a serious ramrod. If it's my ramrod doing the sticking, all the better. I must admit that I am a sucker for pussy and usually don't pay near enough attention to the rest of the woman wrapped around it, and that gets me into trouble. It is a kind of a sickness that I have I believe, a pussy addiction that is every bit as serious as being hooked on drugs or alcohol. But I am not seeking a cure, nosiree, not me. I love indulging my need for pussy and satisfying it whichever way I can. Your magazine helps me soothe my cravings for fresh, clean snatch. Have you ever considered doing a scratch and sniff centerfold pull out, which would provide us readers with an authentic whiff of teen pussy? Just a thought.—*Jerry in FL*

THOSE LOVELY STARFISH

Dear *JUST 18*: This may be a tricky request but what I would like to jack to is a lengthy pictorial layout featuring several hot teenage sluts frolicking naked on the beach. They can skip through the surf and wrestle, knocking each other down so that their supple young bodies become covered in sand. They can eat each other out and fuck each other while the ocean glistens in the background. What I have in mind for a final shot—this is really the best part—is they all line up after having cum a bunch of times and kneel with their asses pointed to the sky and reach around to pry their sweet cheeks apart for the camera, exposing a whole row of lovely starfish to the rays of the afternoon sun.—*Rich in GA*

JUST OOZING SLUT

Dear *JUST 18*: I often wonder if that Miley Cyrus will ever pose for a porno mag. I don't think it is really that farfetched to believe she might. That girl has SLUT oozing out of her every pore. I hope that your people there at *JUST 18* can get your hands on those pics if and when they come to exist. I know she's older than 18 but perhaps you could make an exception. I sure would like to see that hot piece of ass expose her pretty pink fuckhole. I'll bet her gash smells like crisp \$100 bills.—*Louie in OR*

A STRUMPET IN SADDLE SHOES

Dear *JUST 18* Magazine: Do young ladies wear saddle shoes any more? I'm guessing not, I haven't seen them in some time. But boy wouldn't that be sexy to see a red hot teenage strumpet getting the workover she deserves while sporting a spiffy pair of saddle shoes and nothing else. She could pleasure herself by hand or else with one of those gigantic dildos the girls seem to like these days with a pair of brand-new, unscuffed saddles shoes laced snugly onto her perfect feet, the laces wrapped into neat little bows. It needn't be an entire school-

girl motif, although that would not be such a terrible thing. Maybe a tight sweater at the beginning so the thin wool could cling to her pert little tits, nipples poking through the yarn before she strips it off entirely to bare her chest to the world.—*Gary in NE*

INKED TO THE GILLS

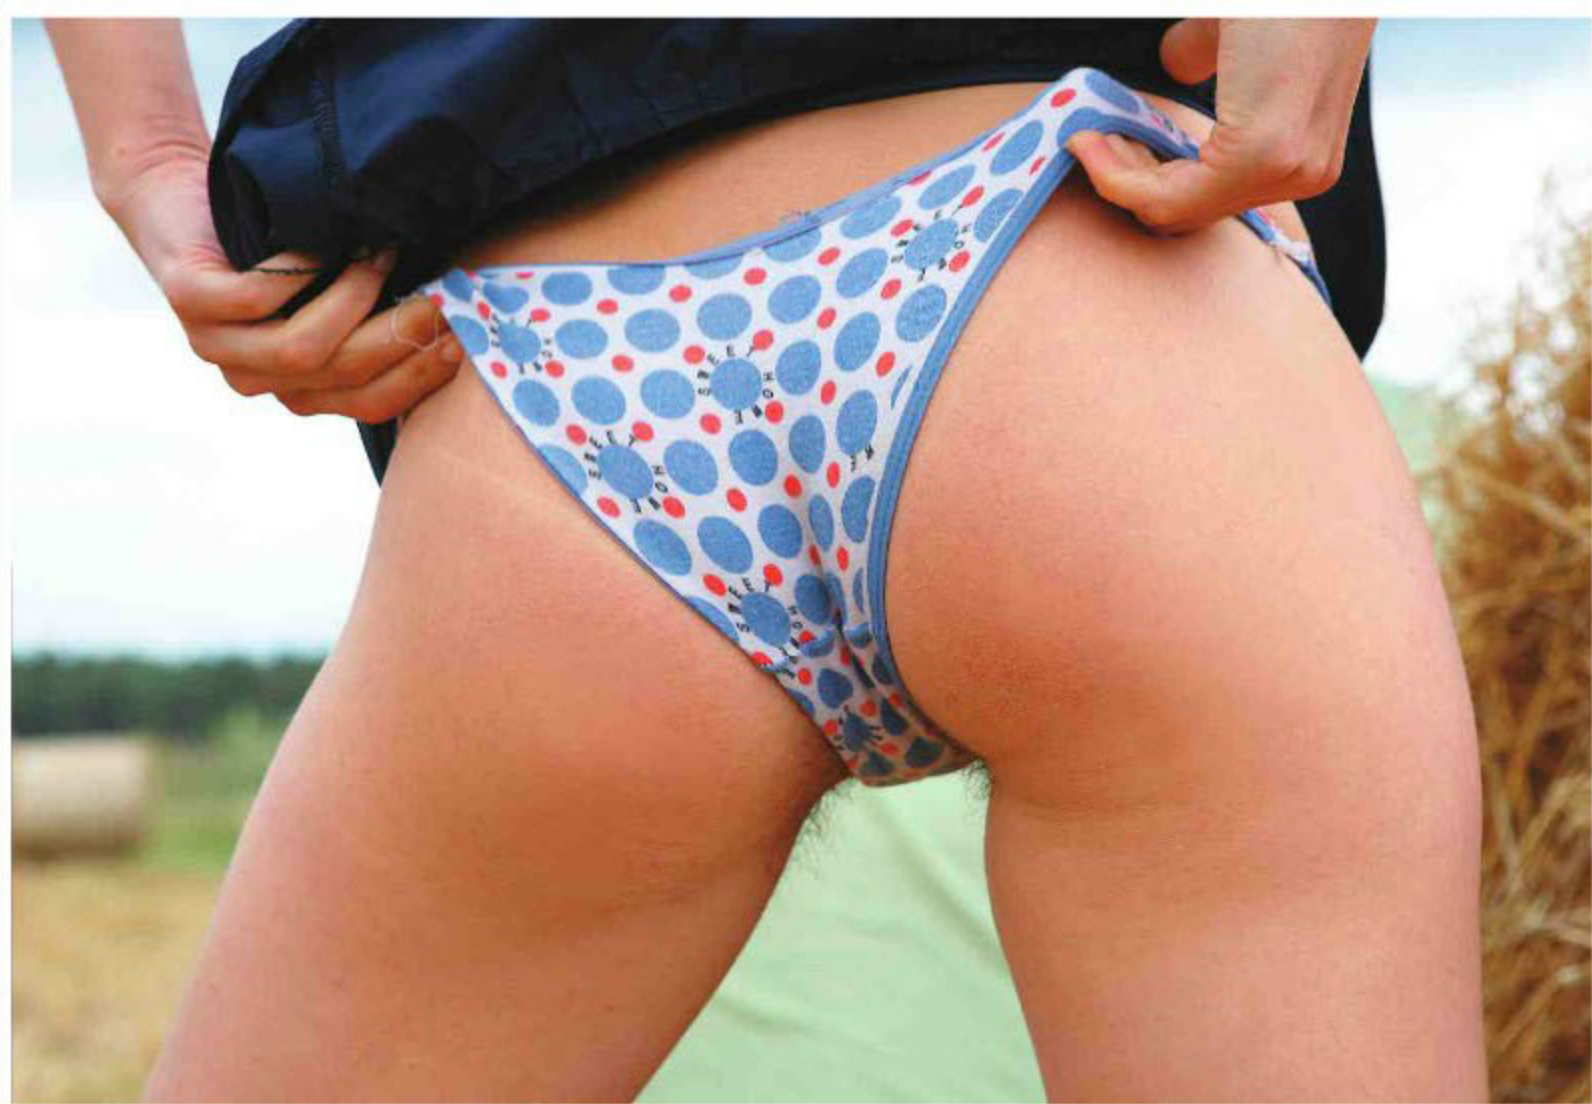

Dear *J18*: I am confused by some of the young women I see on the streets every day. So many of them have ruined themselves with tattoos! I don't object to a discrete butterfly on the inside of an ankle or perhaps a tasteful single flower such as a rose or a daisy placed along a shoulderblade but the girls I see are inked to the gills. They have these garish, lurid cartoons scrawled across their breast bones and upper thighs. Some even have their necks and forearms tattooed like sailors! And some with the juiciest bodies otherwise and otherwise beautiful faces. I prefer the flesh of my lovers to be un scribbled upon but perhaps that's just me. Anyhoo, I was writing in to give my hearty thanks for featuring girls that have fewer tats rather than those looking like they slept nude on the Sunday funnies. Keep up the good work!—*Jonathan in RI*

THE DEVIRGINIZER? HUH?

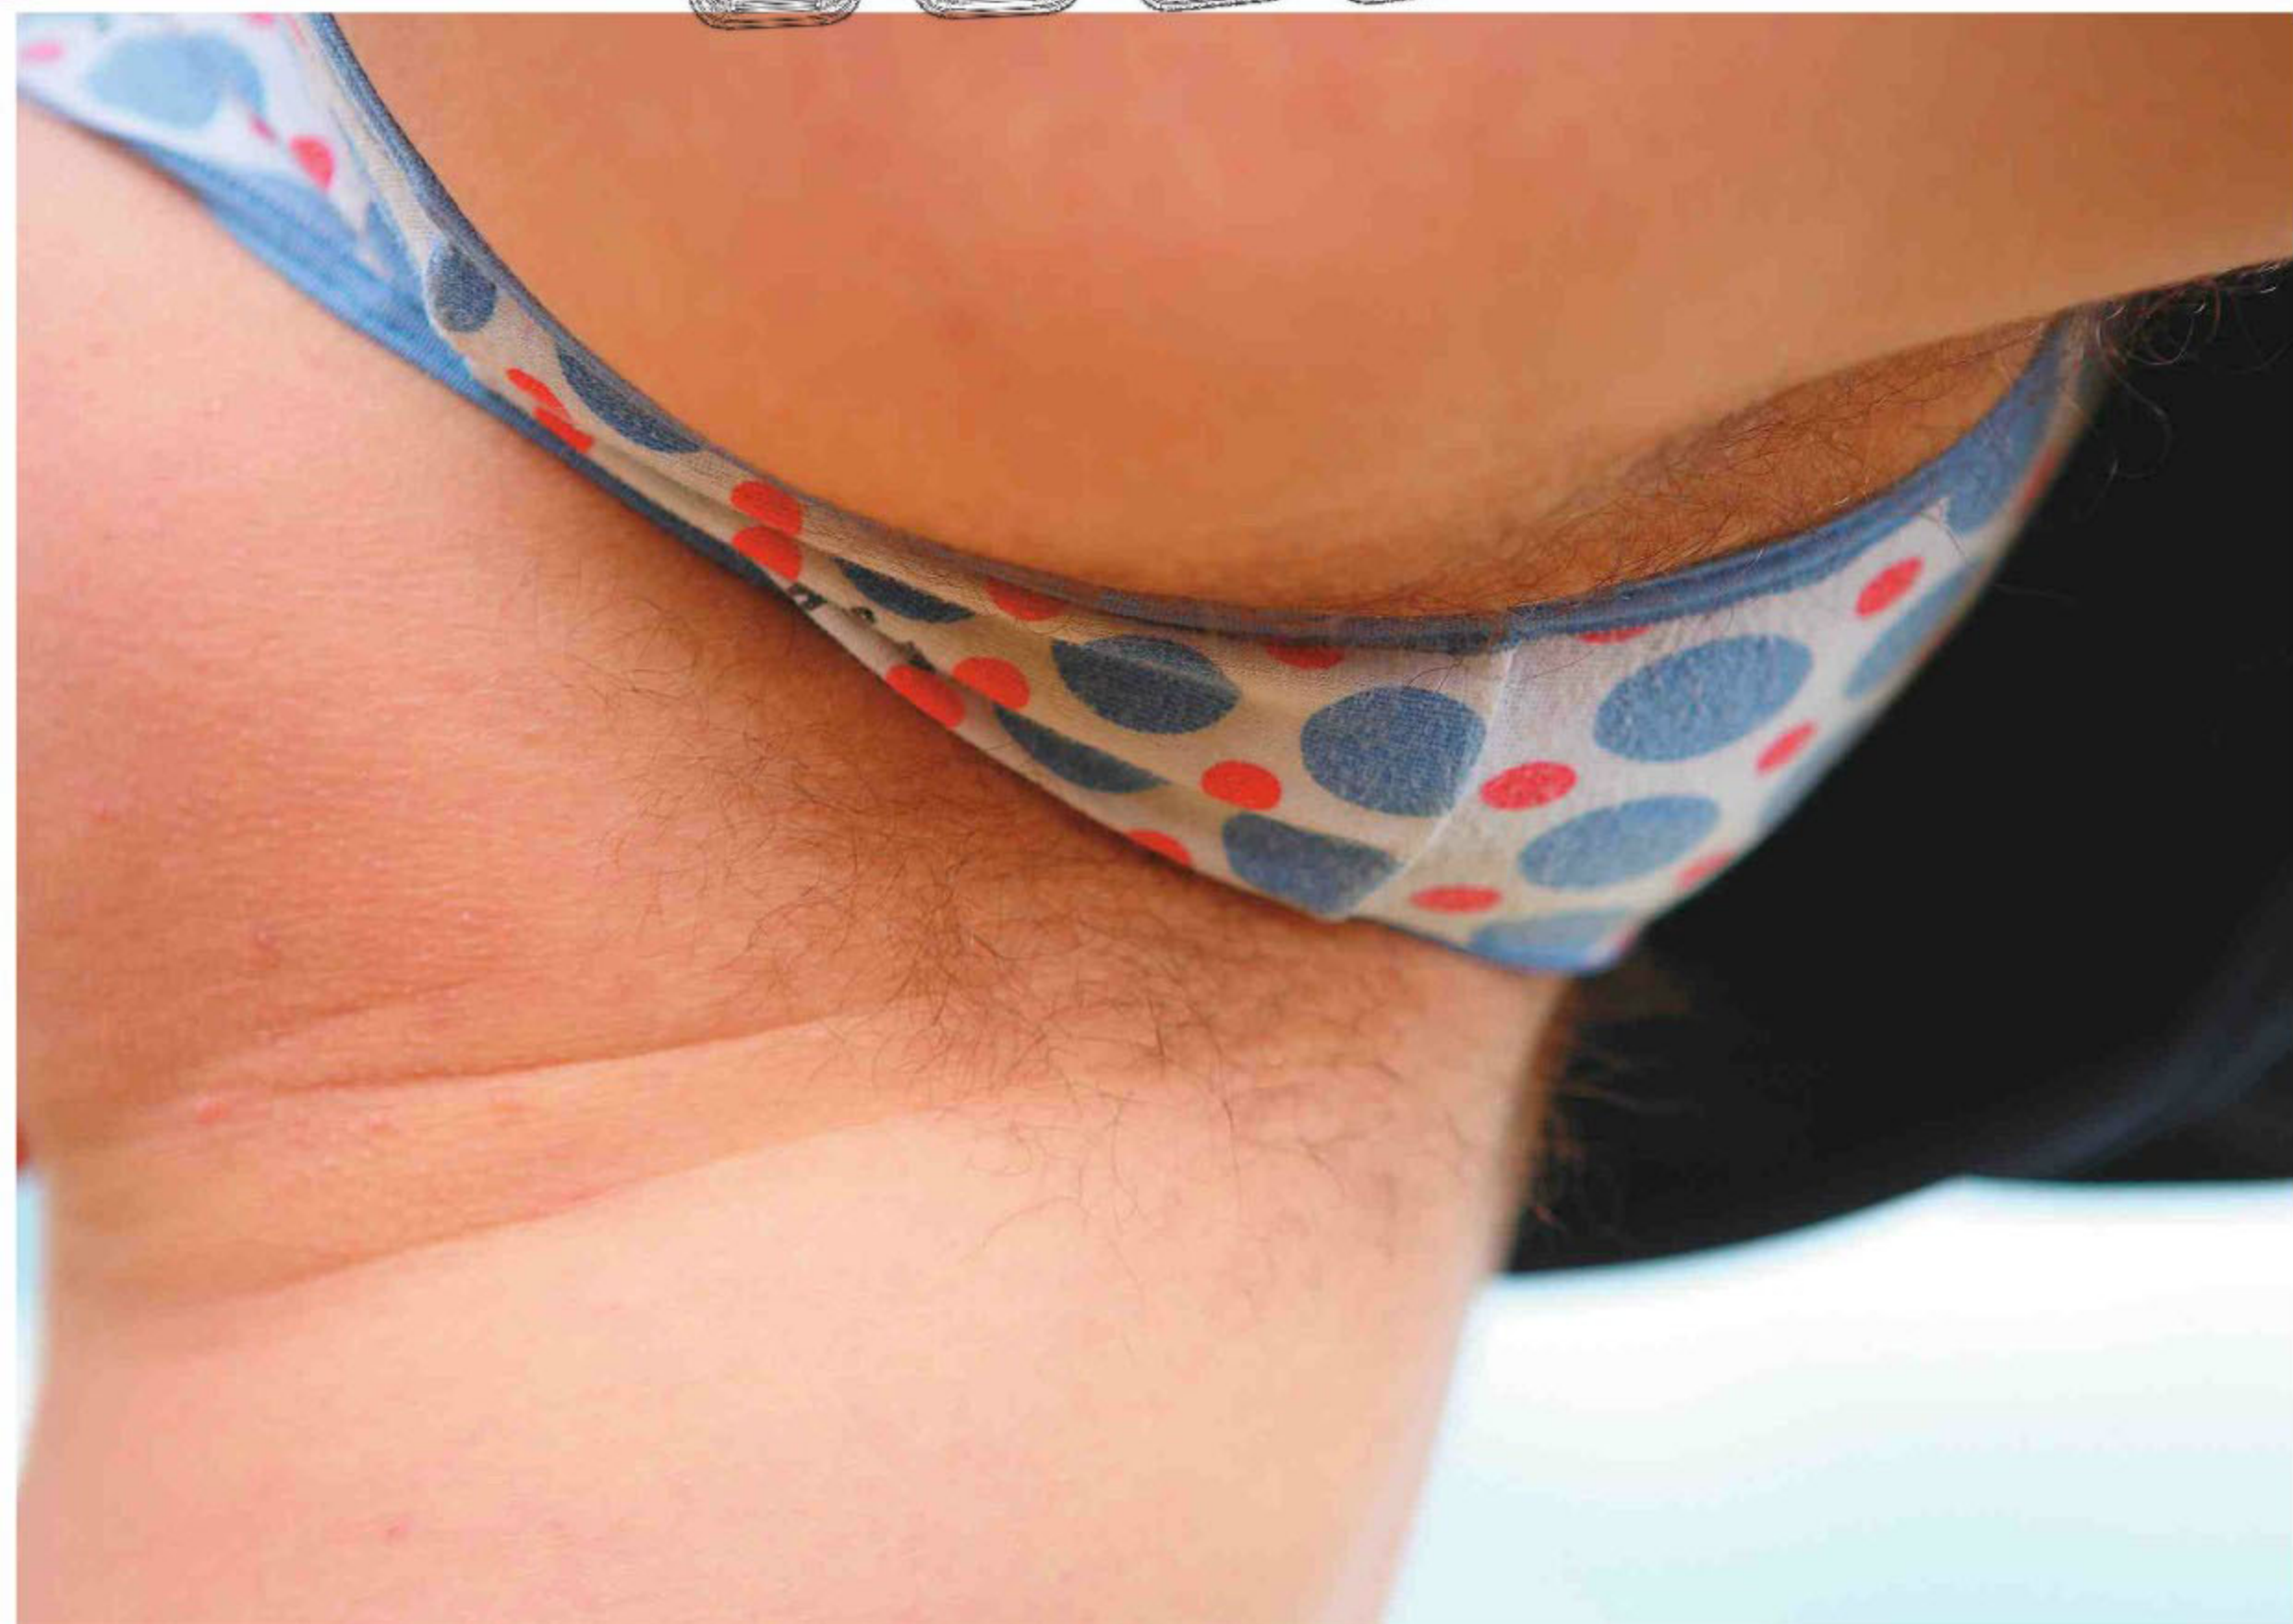

Dear *J18*: Once upon a time, my nickname was the Devirginizer. By the time I entered college, I had deflowered at least a dozen sweet maidens and turned them into wanton sex fiends. This pattern was to continue throughout my early adulthood, as I seem to have a special ability to sniff out the unfucked females of a group and lure them to bed. I consider having sex with a virgin a huge responsibility, because I feel that I am introducing them to the world of sex and therefore have a big influence upon whether or not they will go on to be hellcats in the sack or lame

cold fish. I always pull out all the stops when sticking it into a virgin for the first time, making sure that her pussy is ate out good before I even stick so much as a finger inside. I suck her titties good too, because I have learned that can be an extraordinary source of pleasure for some. Then I always do my best to fuck real slow and gentle like, to eliminate as much of the discomfort they may have of having a cock inside for the very first time as I am able. So if you need someone to have sex with your models on camera, I'm your guy. I have able experience dealing with girls who have little or no experience, and I can promise to leave them satisfied and smiling every single time.—*Renaldo in NJ*

WREN

33452

I'll admit it—I'm still a virgin. There's just not that many guys to choose from out in the country where I live, OK? I'm not about to screw some idiot just for the sake of doing it. Although I've been getting hornier and hornier lately...which kind of sucks because I have six brothers and sisters and ZERO privacy. So when I start feeling like I might die if I don't cum, I set up a tent in one of the fields my family owns and disappear for the day. I get naked and dance around and flick my bean until the cows come home. Like, literally. When I'm through moaning from a nice, juicy O I can hear the cows mooing in our barn. But I don't care, I just close my eyes and ignore my chores and keep on patting my bunny. I don't stop until my pubes are all sticky!

ERICA, DAN & NICK

When my boyfriend first asked me to do him and another guy at the same time I was like, "Uh-uh, sorry Danny, no way." But he kept bugging me and eventually I caved and he called his buddy Nick and we all had a big, sweaty threeway. Well, I gotta confess that I actually dug it. I felt so slutty getting fucked like that and I had multiple orgasms for the first time ever. It was totally intense. After that I found myself begging Danny to invite Nick over all the time. Now I'm like an expert at getting double banged. It's way more fun than regular sex and it's pretty easy too—I just suck one of them off while the other one eats me out or sticks it in me and when they're ready they bust their nuts all over my tits and face. Meanwhile I cum about a hundred times like the little slut I am.

Lesbian Motions

By Delina Verquiddick

If you told me six months ago that I would have gone to bed with another girl, I wouldn't have believed you. Even though I moved to Chicago from a small town in Iowa to go to acting school (my dream), I still had conservative values. But then came our class in "sense memory," where I was teamed up with a girl named Blythe, and everything changed for me.

Blythe was named after the famous actress Blythe Danner, mother of Gwyneth Paltrow too, and like her namesake Blythe was very talented. She was also such an attractive girl with the kind of charisma that makes people look across a room at her. I'm nice looking but I'm no Blythe; few are.

Anyway, Blythe and I had to do an exercise where we kept our eyes closed and concentrated on touching each other in non-sexual ways. So we and everybody else in class paired off according to the way our teacher Mrs. Kemp made the assignments. As we started in, I wondered why Mrs. Kemp selected me to be with Blythe. I think lots of other people in the class, guys and girls, were jealous.

Blythe's hair is what really got to me. It was so soft and as it slipped through my fingers I had the sensation of being not in the class with her anymore but somewhere more intimate like a bedroom. Blythe felt my hair too and along my arms and back, and then she kneeled to caress my legs, and that was when I started to get really excited and almost felt like I was going to have an orgasm!

The purpose of the exercise was to teach us "sense memory" so we could explore calling on the physical aspects of a relationship when we were doing scenes. But what it called forth in me was a desire to HAVE a relationship with Blythe! As I kept my eyes closed, I could hear her breathing and feel her minty breath, and the softness of her skin and even the little scar that she had on her right elbow that I had noticed once when she was doing a scene in class with a boy.

When the exercise was over, I hoped that nobody could tell how excited I had become. Blythe smiled at me, though, and I noticed Mrs. Kemp smiling at both of us. Just what was going on?

Blythe asked me if I wanted to go for coffee after class, and I said yes, kind of in a dream-state. My nipples felt like hard little jewels in my bra and my vagina was watery in my underpants. I didn't know what was happening. When we got to the Starbucks it was too crowded to get a table, so Blythe suggested that we go back to her apartment nearby. I said okay as if I were watching a movie version of myself go through alien motions. Or "lesbian motions," maybe I should say?

At Blythe's apartment, which she shared with her boyfriend who was out on the road doing a play, we sat on the couch drinking coffee and eating Oreo cookies. It felt weird and silly, but I couldn't get myself to believe it was happening. I had never wanted

a girl before. We had just done an acting exercise. Could this really be the result?

"Mrs. Kemp said you were shy but wanted to be friends with me," said Blythe. All I could think of was how much I wanted to touch her slender body again, only this time go underneath her clothes and feel her breasts and kiss her nipples. Was that something I could use for "sense memory" in the future as well?

"How does Mrs. Kemp know what I was thinking?" I said. "She's an acting teacher, not a mind-reader."

"She's a wise woman and a great actress. And that does give her something of the power to read minds. To understand people instinctively. Maybe she knows things about you before you know them yourself, Delina."

"Like what?"

"Like you want me."

"Blythe!"

"That's it, say my name. It sounds good, doesn't it? You want to say it to me on a bed, don't you?"

"I thought you have a boyfriend."

"He doesn't mind. He's away, probably blowing some guy in the company."

"He's bi, too?"

Blythe laughed. "You have a few things to learn about people in the acting profession!"

"What, are you part of some kind of lesbian or gay mafia?" I said, even though I knew it sounded stupid.

"We're just actors and actresses, Delina, exploring all our human feelings."

Suddenly I had an image of the church steeple back in the town where I grew up, all white and high and bright. I saw myself in a light blue Sunday dress. I shook my head to get the images out of my mind, but I knew that where I came from, nobody was supposed to

"know" you before you knew yourself. And if they did, it wasn't polite to say so. But maybe Blythe and Mrs. Kemp were right. I suddenly remembered one night a couple of weeks ago when I took a shower and as I washed my hair I imagined, out of nowhere, washing Blythe's hair too. It had made me feel funny, standing there in the stall, all wet and soapy, and I touched myself. And if I'd let myself, I could have had an orgasm, like I almost did when we were doing the sense memory exercise back in class. But I quickly got out of the shower and dried myself off.

I came back to the present moment when Blythe said, "Are you going to fight yourself all night, Delina, or are we going to have some fun?"

I just stared at her, my mouth dry.

"Kiss me, Delina."

I looked at her for a long moment and my nipples hardened again and there was thick wetness in my underpants. I watched myself in the mirror on the wall as I moved closer to Blythe and let her take me in her arms. She kissed me softly on the mouth and then hugged me to her body. I felt her nipples stiffen too under her top as I ran my hands over her arms and hugged her back.

"I'm not a lesbian, Blythe. You're just—"

"I'm what?"

"Um...magical. That sounds lame. But it's true! You're so beautiful it must be a kind of magic."

"Maybe I am magical. Why not? Lucky us, Delina!" And, laughing, she turned my head up and we kissed some more.

"Blythe?"

"Yes?"

"Can I say your name in the bedroom now?"

"Of course." And she stood up and took me by the hand and led me to the other room. The

bed was small and a little lumpy, and I could imagine her and her boyfriend having sex on it, making noise and squeaks from the bed frame. Blythe took off my clothes and then she had me take off hers. I still felt like I was watching myself in a movie, and sitting in the back row of the theater at that, so the screen was very far away. The old movie theater in my hometown, in fact, the one built in 1927 and that I'd gone to throughout my life. Just when I left to go to Chicago, they were raising money to get the digital projection equipment to keep it in business...

Funny the things I thought about as Blythe pulled the cover aside and and we lay down on the sheets naked! I was underneath her and she kissed me so good, running her hands over my body and down to my crotch, sliding her fingers over my clit and gently over my thighs and then back to my clit and my slit and then...

It was all a whirl and I kept latching my mouth onto her tongue, memorizing the taste of it, the fullness of it as it rubbed against my lips and teeth and my own tongue, and staying in my mouth so I could almost suck it like it was a penis. She WAS magical...

I looked down and Blythe was kissing me down my tummy and moving my legs apart. Her lips looked so hungry and her tongue was so pointed and pink as she went down and touched my clit and then it all happened, faster than I could have imagined—I exploded on her face, squirting out clear stuff, I guess G-spot stuff, in a way I never had before but which I'd read about girls doing when I was sneaking around porn on the Internet.

"You liked that and I've hardly just begun!" Blythe laughed. And she kissed me tenderly all over my thighs and licked up the spray and then came back up to me, where we kissed over and over until I was ready to do the same thing to her, down between her own thighs. And by that time, it didn't seem like a movie about someone else anymore; I was sitting up close to the screen; it was me, Delina, having the time of my new lesbian life!

LUCY & JEFF

I like to do outrageous things in public places. One time, I ate my friend Angie out by the fountain in the middle of the mall and then another time I almost got arrested for blowing my boyfriend on a miniature golf course. I tried to stop putting out in public but it seems like I can only have an orgasm if I'm getting banged in the great wide open. So I learned to be more careful about where I do the deed. Now my man and I like to get it on down by the tracks where we have a whole lot of privacy but it still satisfies my need to sex it up in a scandalous location. It's even safe enough there to let him ram me in the caboose! Having ass sex in the middle of broad daylight is by far the naughtiest thing I've ever done, and boy does it make me cum like a freight train! Woo woo! **18**

NIKA

My friends run around acting like total hookers and I think it's disgusting. I mean, I like to feel sexy too but that's not an excuse to act like a pig. I keep my private moments private. Everyone always calls me a big prude but they have no idea what I do when I'm alone. When I'm by myself it turns me on to dress in lingerie and then strip it off again slowly while trailing my fingers lightly over my skin. I like to cup my breasts and tease my nipples hard before I drag a spit-moistened fingertip along the outer edge of my pussy. Then I dip my finger inside where it's nice and warm and wet, my cunny opening up like a flower. Then I caress my clitty until I have an incredible orgasm, and afterwards I like to lie by the window and feel the sunshine all over my nude body. Prude, my ass.

ABBIE & CARL

So there's this guy I know, Carl, and he isn't the best looking guy I've ever been with but he's definitely the best I've ever been with in bed. He's hung like a beast and he really knows how to use it. He's into anal and everything but it's cool because he really takes the time to make sure that I'm ready for it. He eats my ass out and he's very thorough about it and then he fucks me in my pussy until I get off. He's really in to making me feel good, you know? Then when I'm nice and relaxed and my asshole is all lubed up with his spit and my juice, he eases himself in gently until my balloon knot becomes loose enough for him to start pounding away. I rub my clam while he bangs me out in back, and we almost always climax at the same time, him soaking my starfish with jizz! 🍆

My friend Sunshine is awesome and pretty and super blonde. Me and Sunshine go tanning all the time and usually we take our bikinis off after laying out a while. We're not lesbians or anything but I think Sunshine's hot. She's got the best tits, all fat and bouncy, and I love to play with them and suck on them and listen to her sigh as her nipples get hard on my tongue. We fool around like that a lot, it's no big deal and it feels so good. She sucks my itty-bitties too sometimes and sometimes we fiddle with each other's clits, tickling them with our fingers and tongues. When she makes me cum it's like I'm floating away on a sweet, fluffy cloud and then afterwards we kiss and I can taste myself on her soft lips. Like I said, I'm not a lesbian—but if I was I'd be in love with Sunshine! **i18**

Jasmine, Barbara & Oliver

The girl I live with, Jasmine, has this hot boyfriend Oliver. Whenever he came over to spend the night, I used to lay in my bed and masturbate to the sound of them having sex in the room next door and give myself some totally killer Os. One morning at breakfast after a particularly randy evening, Jasmine and Oliver confronted me—as it turns out they could hear my orgasmic cries on their side of the wall! Well ever since then it's been threeway city at our place. Jas and I take turns with Oliver's joystick, and in between we kiss and lick pussy and do all sorts of other stuff as well. Jas even lets Ollie take her up the ass! I'm still an anal virgin, but I'm thinking I might go for it soon. Jas sure seems to like it when I tongue her clit while Ollie shoots his wad up her butt. And I gotta say, she makes the most delicious booty cream pies.

JUST EIGHTEEN 91

During the winter, I always grow a nice, lush bush. I like to drop trou in the snow sometimes and I gotta do what I can to keep my girly bits warm! There's this thing I like to do, I call it the Polar Bare Club. After the very first snowfall of the season I bundle up (sans skivvies, of course) and head out to enjoy a few red hot orgasms in the freezing cold. I've discovered that there's no sensation more incredible than feeling the arctic air on my bare skin while I fuck my snatch with a dildo until it's steaming. As soon as I hike up my sweater my nipples get so hard from the combined forces of frostiness and horniness that I swear to god they could cut glass, but as soon as I penetrate my hungry puss I forget all about the temperature and just focus on feeling good.

My moans melt snow! 🍆
